Greetings,

We have one last request to make regarding the film shoot at 140 S Ave 59. The last day of production is tomorrow 6/13 and the company will begin vacating the City lots and posted areas. Production is looking to extend their stay in City Lot #636 to park various equipment/vehicles over the weekend. They're hoping to get 40 spaces in the back portion of the lot, please see attached document for detailed equipment list and map of the proposed parking area. Is this a request that CD 1 and the HP BID could potentially endorse? Thank you for all of your assistance in making this shoot possible, it has gone very smoothly considering the size and impact of the shoot.

Sincereley,
